

Harmony in the Family Family Retreat Easter 2020

9.4.-13.4.2020

Enjoy a weekend in beautiful Swedish nature to relax, spend time with your family, make new friends and learn how to increase harmony in your family. The voluntary program for adults includes hands-on sessions by self-employed therapists and counselors, discussion groups and sauna. Babysitting and activities for the children will be provided as well as food and accommodation.

The retreat is aimed at parents and grandparents of young children, but everyone is welcome, with or without family. We wish to create a safe space for all participants and are independent of other institutions or religions.

Games and babysitting will be provided parallel to the program. No part of the schedule is mandatory and the participants can freely and spontaneously choose between the schedule for adults, kids activities, private sessions with counsellors/therapists or free time.

SESSION LEADERS

Each therapist will lead 2-3 group sessions with hands-on activities, teaching you methods to increase harmony in your family. In addition you can approach them during the workshop and find out possibilities for private counselling during and/or after the family retreat. All of them offer a free try out session and are also available over video call after the retreat.

VIGDIS PARKINS

is working as an accountant and as a personal development trainer and a certified NLP practitioner. She has researched and explored the power of the mind from many different angles over the last 40 years, and whether it was science, quantum physics, religion, spirituality or new age, there are certain common denominators which I share in my courses and seminars. imaginationorg.com/self-improvement
